

## **Black Eyed Pea/Feta Cheese Dip**

Two 14- or 15-oz size cans of black eyed peas (drained)  
Two 14- or 15-oz size cans of petite diced tomatoes (drained)  
8 oz package of feta cheese  
Medium red onion chopped  
Medium green pepper chopped  
2/3 cup Newman's Own Light Vinigarette

Mix together. Chill well. Serve with Tostito's Scoops. I brought the baked/low fat Scoops to the pool shindig.

It was also suggested that corn would be good added to the recipe. I've not tried that, but sounds good.
