

## **Rachel's Chocolate Mousse Dessert**

1 cube butter  
1 cup sifted flour  
1 cup chopped nuts

*Mix and press in 9X13 pan. Bake at 350 for 20 minutes.*

8 oz cream cheese  
1 cup powdered sugar  
1 cup Cool Whip

*Beat cream cheese and sugar together and mix in Cool Whip. Spread on top of first layer.*

2 boxes (3 ½ oz) instant pudding (I always use chocolate of course, but I've heard other flavors are good too)

3 cups milk

*Beat until thick and spread on top of cream cheese filling. Top with Cool Whip. Sprinkle with chopped nuts. Chill until ready to serve.*
